HOLIDAYS' HOMEWORK

SESSION: 2025-26

CLASS-NURSERY

Holidays play an important role in a student's life. They provide time to relax, have fun, explore new interests, and learn beyond the classroom. When holidays are used purposefully, they become both enjoyable and productive. Let us make the best use of this time by developing our hobbies, thinking creatively, learning new skills, and contributing positively to our environment in our own unique ways.
